

Message from Chief Bernette

The mission of the Chippewa Fire District is to deliver emergency services anywhere, anytime you need us. We have 4 strategically-located fire stations staffed by volunteer and career members providing many essential services to ensure your safety.

The Chippewa Fire District has a long standing history of providing quality service and programs to our communities. We stand committed to expanding on this tradition in future endeavors through collaborative community interaction and the enhanced delivery of customer care services.

As Fire Chief, I have the privilege to serve these great communities that make up the Chippewa Fire District. Every day I get to work alongside some of the most talented individuals in the Fire and Emergency Medical Services. The highly-trained and professional men and women who serve as Chippewa Fire District member respond to over 2,200 incidents annually.

Our promise to the communities we serve is that we will strive to maintain our high level of customer service and will always be prepared to respond to your needs day or night with professionalism, compassion, and respect regardless of the situation you may find yourself in.

Thank you for taking the time to become familiar with us.

Sincerely,

Scott Bernette, Fire Chief
