

Safety & Health Committee

Meeting called to order at 1830 hours on 7/12/18 at Station 1 by Ac Dienger with 5 officers present.

Public Comments: None

March Meeting Minutes: Motion made by Chuck Smith and seconded by Dan Enestvedt to approve as presented and posted on the website. Motion passed on a unanimous voice vote.

Training: Scott Bernette reviewed the current proposed changes to SPS 330. The group reviewed the current approved version of SPS 330

Old Business:

None

New Business:

Near Miss Report – None

See Something/Say Something – Dan Dienger talked about the abandoned vehicle at Station 2 several meetings back and how we all over looked it and went about training. The take away is that we as safety officers need to make sure the scene is safe as well as the firefighters on that scene.

SOP 400 Updates – Chief Bernette reviews a few changes to this SOP as suggested by several officers after the last meeting. There were no objections to the changes and the documentation process to be used district wide.

District Training Officers Position - Dan Dienger asked members present about the current training officers position as they relate to the Stations and the Health and Safety Committee? There was some discussion about the past DC of Training Position. At this time there was no reason to change the current process but possible in the future if needed it could be talked about at the District Officers Meeting.

Training Division Manual – John Andersen went through the training manual that was put together. This manual is based on the current standards adopted by the WTCB based on SPS 330 & NFPA which the Fire District has been using. Training Officers to review manual by next meeting.

MOG on CO related events - Dan Enestved reviewed how several departments in the area handle CO Calls. Dan Enestved to put together a draft MOG for review at the next meeting.

Items for next Meeting:

None

Motion made to adjourn at 19:25 by Dan Enestved and seconded by Cory Jeffers. Motion carried on a unanimous voice vote.
