### District Safety Message

January safety messages focus on winter hazards like cold stress (frostbite, hypothermia), slip/fall risks from ice, safe winter driving, carbon monoxide poisoning from heating sources, and fire safety with space heaters/fireplaces, urging layers for warmth, cautious shoveling, checking on vulnerable people, and preparing homes/vehicles for severe weather.

#### Cold & Exposure

- Dress in layers: Wear multiple layers, a hat, gloves, and waterproof boots; cover extremities.
- Limit time outside: Take breaks indoors and avoid overexertion when shoveling or walking in deep snow to prevent heart attacks.
- Watch for signs: Know symptoms of frostbite (numbness, pale skin) and hypothermia (shivering, confusion).

**Note:** If you see something, say something!
